Dear Phil:

I hope that the full-day "sermon from the mount" was helpful for those who attended.

I met some interesting people and heard of some ambitious programs and aspirations. Perhaps, I may have helped in a small way.

Your planning was fine; I'm still amazed at the turnout.

I'm enclosing a statement of expenses.

Thanks for all your help, and I trust all will go prosperously for you.

Sincerely,

William M. Dawson
